## The Rally

Welcome to the Coast to Coast Rally. This is Vancouver Island's prestigious gravel adventure. Organized by the Island Rallysport Club in conjunction with BKG Motorsports and sanctioned by Rally Pacific Motorsports, this premiere TSD rally will push the limit of both your car and yourself. Held on the east, west, and north coasts of the Island for several years, this rally has a committed following of die-hard rallyists, many of whom travel great distances to get here. This year's event is Round One of both the Island Rally Series and the Pacific Coast Challenge.

## The Route

Gravel, gravel, gravel! 99.9% of the timed sections, totaling close to 1000 km, over two grueling days of adrenaline pulsing fun! Your daring drive will take you from one side of our Island to the other, literally "Coast to Coast". You will be rallying on choice mainlines, and challenging secondary roads, for the most part between Victoria and Port Alberni, on this southern section of Vancouver Island.

## The Regulations

These can be found at [www.rallybc.com/html/regional\\_rules.htm](http://www.rallybc.com/html/regional_rules.htm) or you can contact our Registrar, Roy Lima at (250) 721-0224 or e-mail [rflima@shaw.ca](mailto:rflima@shaw.ca)

**Required equipment:** 1 reflective warning triangle, basic first aid kit, minimum 5BC fire extinguisher, open cars require a roll bar. It is probably a good idea if you bring tough, knobby tires, a full sized spare or two, *Gravol*. The rally will be broken up into a series of transits (non-timed) and regularities (timed), with a number of these forming a leg, each of which ends with a meal/gas break or overnight stop.

Maximum lateness at any control point is 300 points (5 minutes, the longest a control will wait for you) with a cumulative max lateness in any one regularity being 600 points. Scoring is one point penalty assessed, per second early or late.

## The Rules

The rally runs on straight-forward instructions which are provided in both kilometers and miles, but the official measurements and calculations are based on the km figures. There will be three classes run, which are the standard PCC classes: SOP, Equipped, and Unlimited. Classes and scoring for BC TSD Championship as per BC TSD Regulations ([www.rallybc.com/html/regulations.html](http://www.rallybc.com/html/regulations.html)). Scoring will be to the second, perfect timing! Don't slow at or near a control if you see one. At the discretion of the control worker, if you are balking they will note this. The controls are drive-by, so

no stopping at or near the control point. Trophies for driver, navigator in each class, and lots of good ol' fashioned rallying fun.
