This is a TRUE Midnight rally, as per tradition. The First Car Out will be 12:01 a.m on Sunday morning. We will NOT be changing the clock at 2, but will be waiting till after the rally finishes. Get plenty of rest, because this mostly gravel event is going to test your skills and endurance.

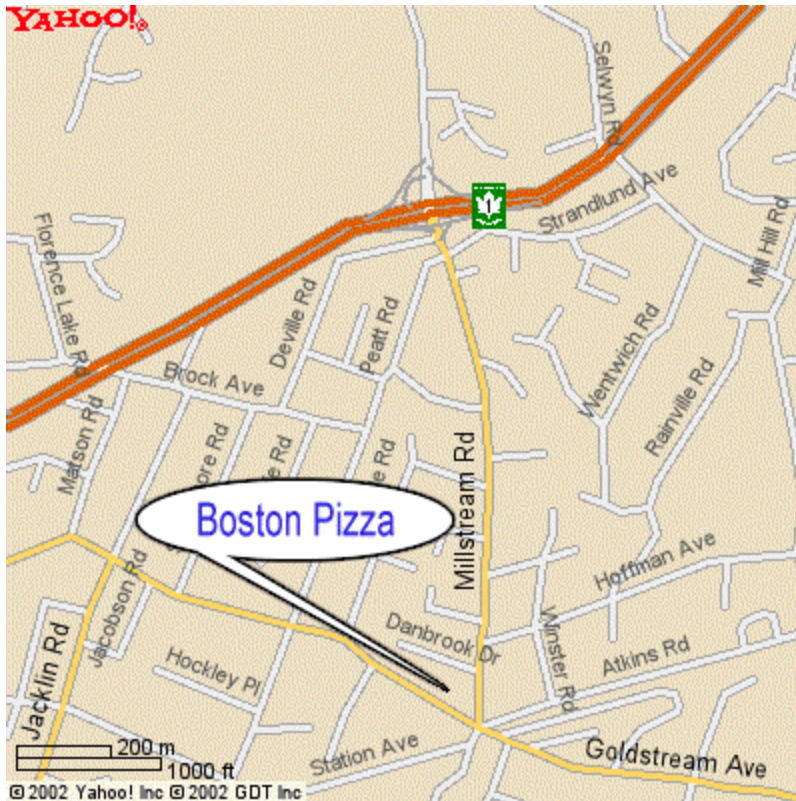

Taking off from Victoria, the route will wind out around and about the southern part of Vancouver Island, from coast to mountains. At this time of year, you can expect anything from clear skies (and frost) to torrential downpours or peasoup fog. Get those driving lights and fog light ready, but make sure the driving lights go off when you dim your lights in order to conform to the BC Regs.

We will be rallying till about 8 or 9 a.m. after driving about 500km on gravel road, with probably only one stop for some snacks and gas in the middle of the night. Make sure you have good gravel tires with lots of tread.

Rally route: Southern Vancouver Island, northwest from Victoria.

Rally start: **Boston Pizza** in Langford.

Travel from Tsawwassen/Swartz Bay. Head south on Highway #17 to Victoria. At approx. 25 kms turn right off #17 onto McKenzie following direction signs for Nanaimo/Hwy #1. Once on Hwy #1 northbound take Millstream Road exit westbound over the highway. Proceed about 1 km to 2755 Millstream Road, next to the RCMP almost at Goldstream Avenue.

Rally finish: Barnacle's Restaurant in Duncan, about one hour drive south of the Departure Bay ferry terminal in Nanaimo, or about 1 hour 25 minutes drive from the Swartz Bay ferry terminal on Hwy 17 outside of Victoria.
