

Are you interested in learning how to participate in rallying?

Have you ever wondered what it would be like to drive your car on gravel roads?

Do you need to polish up on your TSD skills?

If you don't know where to start, well ... do we have the Workshop for you!

WCRA Novice Rally Workshops will introduce you to the sport of TSD auto rallying. TSD = Time / Speed / Distance - three factors that are used to create a challenging auto event. This course will consist of both "on-road" and "off-road" instructions. We will provide off-road classroom instructions about the sport. Experienced TSD rallyists will coach you on the finer skills of driving techniques and navigational calculations. Tricks and tips will be shared from the experts. We will provide instructions on what to expect at an event - everything from car inspection to route instructions. Then, we will answer all your questions.

We have also prepared an on-road two-stage TSD event for you to apply your new skills. After of the first part, you will be provided with feedback and your scores will be analyzed with you. Experts will be there to provide you with tips and explain what should and could have been done to better your scores. In the second part, you will have another chance to apply the tips and see what you've learned.

We will also provide a brief intro to the sport of Performance Rallying in BC and Canada and information on how to participate. Rally cars and teams will be present to answer your questions.

Participation of this course will allow a CAN \$15.00 discount on any one future 2004 TSD event. Prizes will be awarded for most improved team of the day!

Cost:

- CAN\$40 (US\$30)
- up to 1 week prior to the event.
- CAN\$50 (US\$40)
- within the week leading to the event.
