

2005 WCRA Novice Workshop #2

June 4th, 2005

Presented by the West Coast Rally Association

The WCRA Novice Workshop #2 is a morning classroom session and afternoon Time/Speed/Distance (TSD) Navigational Rally. The rally follows current BC Rally Regulations which can be found on the WCRA website at <http://www.rallybc.com>. The rally will be about 150km with an odometer check of about 12km and take place entirely in the Kamloops region of BC. Roads will be approximately 70% gravel / 30% paved. Instructions will be provided in both km and miles, but the official distances and calculations are based on the km figure.

TSD Novice Workshop #2 – Kamloops

Supplementary Regulations:

June 4th, 2005

- Are you interested in learning how to participate in rallying?
- Have you ever wondered what it would be like to drive your car on gravel roads?
- Do you need to polish up on your TSD skills?

If you don't know where to start, well ... do we have the workshop for you!

WCRA Novice Rally Workshop will introduce you to the sport of TSD auto rallying. TSD = Time / Speed / Distance - three factors that are used to create a challenging auto event. This workshop will consist of both "on-road" and "off-road" instructions. We will provide off-road classroom instructions and theory about the sport. Experienced TSD rallyists will coach you on the finer skills of driving techniques and navigational calculations. Tricks and tips will be shared from the experts. We will provide instructions on what to expect at an event - everything from car inspection to route instructions. Then, we will answer all your questions.

We have also prepared an on-road TSD event for you to apply your new skills. You will be provided with feedback and your scores will be analyzed with you. Experts will be there to provide you with tips and explain what should and could have been done to better your scores.

This is part two of the 2005 TSD Novice Rally workshops presented by the West Coast Rally Association. This event will follow the 2005 BC Rally Regulations, which are available from Rally Pacific Motorsports. The rally runs on straight-forward instructions, and will be approximately 150 km (93 miles) in length with roads being approximately 70% gravel / 30% paved. Maximum distance between gas stops is 150 km (93 miles).

Required Equipment

- Battery powered Calculator (Not solar)
- Clipboard
- Pens & pencils
- Stopwatch or Digital watch
- Notepad or paper for notes
- Highlighters
- Map light or some other interior light (if on a night rally)
- Fire extinguisher rated 5BC or 10BC * *****This is due to the extreme fire hazards in Kamloops at this time of year*******

Recommended Equipment

- 30 cm self-supporting safety triangle *
- First Aid Kit (see www.rallybc.com for details) *
- Tow Rope *
- Gravol or other Motion Sickness Medicine
- Toilet Paper (important when you are way in the bushes!)
- BCAA card if you have one
- Additional headlights (if on a night rally)

* = *These items are required for most full TSD event*

Minors – All participants under 18 must have two waiver forms signed or they will not be able to compete. Please E-mail Shawn@RallyBC.com **BEFORE** the event to obtain copies of these two forms – Thank you.

Classes

This novice TSD workshop will have two classes, Novice and Expert.

Novice: Neither team member having entered more than 3 TSD rallies before the current year, and equipment limited to Calculator Class rules, which are “Non-programmable calculating devices which are not driven by a wheel, and accessory odometers”

Experienced: All other teams.

Prizes

Prizes will be awarded to top 3 finishers in Novice Class, and other prizes will be drawn for all classes.
