

2007 WCRA Novice TSD Workshop #1

March 24th

Vincent Peel/Julie Peel, 2005 Novice Course #1

Supplementary Regulations:

The first WCRA novice workshop will involve a morning classroom session followed by a short daytime tarmac T.S.D rally to allow you to apply your knowledge for the class. This is part 1 of a 3 part series aimed at teaching the basics of T.S.D rallying. The rally follows current BC Rally Regulations which can be found at [http\\www.rallybc.com](http://www.rallybc.com) and is held within Rally Pacific Motorsports Association TSD Rally Regulations and the C.A.R.S. General Competition rules. This rally will run on straight forward instructions provided during the class session. Instructions will be provided in both kilometres and miles but official measurements and scores will be in kilometres. The on-road portion of the event will be approximately 140km long with one gas stop provided. Roads will be 100% paved and take place entirely in the lower mainland.

Required Equipment:

- Stopwatch or Digital watch
- Calculator, battery powered, NOT SOLAR
