# Crestline Trail Rally

Revised, including new dates

September 6 & 7, 2008

South Central B.C., in the West Kootenays

Supplementary Regulations

## Pacific Coast Challenge – B.C. TSD Rally Championship – Island Rally Series

### The Rally

This year, IRC's PCC entry will be Crestline Trail held in the BC interior. As is tradition, our PCC rally will also be a round of the BC TSD Rally Championship, and part of the Island Rally Series. It will be a "brisk" TSD rally covering about 800 km of south central BC roads using straightforward instructions, within the Kootenays.

### The Route

The rally is going to head east from Osoyoos on Saturday morning, to overnight in the West Kootenays, BC, with a return to Osoyoos on Sunday. The roads are expected to be approximately 20% paved (mostly transits), and 80% gravel (mostly regularities).

### The Regulations

The rally follows the BC TSD Rally Regulations as well as the CARS General Competition Rules, which can be obtained by contacting the IRC Rally Director Glyn Trafford at [gtrafford@shaw.ca](mailto:gtrafford@shaw.ca) or (250) 246-8282

### The Rules

Competitors will be given a route book once they have completed registration and tech inspection. The route book will have distances and speeds in both imperial and metric units. Distances will be based on metric units measured to thousandths of a km, then converted to imperial units.

For this BC TSD Championship event, the following classes and definitions shall be used:

- i/ Unlimited
- ii/ Calculator: Non-programmable calculating devices which are not driven by a wheel, and accessory odometers.
- iii/ Paper: No calculators, rally tables or accessory odometers
- iv/ Novice: Neither team member having entered more than 3 TSD rallies before the current year, and equipment limited to Calculator Class.
- v/ Historic: Vehicles manufactured more than 25 years prior to December 31 of the year preceding the current competition season. Navigational equipment is Unlimited.

For the purpose of the Pacific Coast Challenge (PCC) and Island Rally Series (IRS) points; Unlimited will be classed as Unlimited; Calculator will be classed as Equipped; Paper will be classed as SOP. Historic and Novice entries are to declare the PCC or IRS class in which they wish to run, based on the navigation equipment being used, as defined above in the BC Championship classes.
