#### 2.1.3.4 Novice Driver / Co-Driver

A **novice driver** is to be defined as one who has not finished a total of five regional or higher level events as a driver and/or has never won the Regional Novice Driver Championship and/or has never placed in the top ten finishing positions in a Canadian Rally Championship Event, or equivalent, as a first driver in a previous championship scoring period as per NRR I.A.3. Novice status is to be retained throughout the competition year, regardless of finishing the required number of events part way in the year. Novices **MUST DECLARE** their status to the organizer before the start of the event.

A **novice co-driver** is to be defined as one who has not finished a total of five regional or higher level events as a co-driver and/or has never won the Regional Novice Co-Driver Championship and/or has never placed in the top ten finishing positions in a Canadian Rally Championship Event, or equivalent, as a co-driver in a previous championship scoring period and may only be awarded championship points when competing with a novice driver. Novice status is to be retained throughout the competition year, regardless of finishing the required number of events part way in the year. Novices **MUST DECLARE** their status to the organizer before the start of the event.

The loss of novice status as a driver will not preclude that individual from competing as a novice co-driver and vice-versa.
